THE V3 METHOD

COMMUNICATE WITH POWER, PURPOSE AND PRECISION.

The V3 Method which consists of verbal, vocal and visual communication is a tripartite formula created by Winfrey Agbelese to simplify otherwise complicated communication concepts into a simple and easily digestible format.

With this formula, Winfrey Agbelese's vision is to help professionals strengthen their verbal, vocal, and visual communication so they can communicate ideas clearly, speak with confidence, and develop strong professional presence.

Through training programs, speaking engagements, and social media influence, she equips individuals and organizations with practical tools to communicate with power, purpose and precision..

THE V3 METHOD SIMPLIFIED

V1 - Verbal Communication

What you say and how clearly you express ideas.

V2 — Vocal Communication

Tone, pace, pauses, and vocal confidence.

V3 — Visual Communication

Body language, posture, and professional presence.

When these three work together, communication becomes powerful.
